

BENCHMARK INTERNATIONAL SUCCESSFULLY FACILITATED  
THE SALE OF QUANTUM3 ALUMINIUM LIMITED TO BURKE PORTER GROUP

SELLER

**Quantum3 Aluminium**

- Based in Killaloe, Ireland
- Manufactures a range of lean and flexible aluminium profile and framing systems
- Possesses intellectual property on cuts of aluminium
- Products utilised by manufacturers in the medical and life sciences industries

Founder of Q3, Pat Hayes, said this about the acquisition: "Joining a proven and creative company like BPG is a great opportunity for Q3 to expand our global reach and develop our capabilities. Plus, BPG's 'innovation-first' mindset and relentless focus on the customer fit perfectly with our culture and mission, making this an exciting next step for Q3's growth."

BUYER

**Burke Porter Group**

- Founded in 1953 and headquartered in Grand Rapids, Michigan
- Leading global supplier of automated diagnostic, testing and production solutions
- Serves the life sciences and speciality industrial end markets
- Global footprint of 45 locations across the world

Jeffrey Moss, CEO of BPG, said: "The strength of Quantum 3's relationships with medical and life science OEM companies in conjunction with its collaborative engineering approach perfectly complements BPG's offering.

"We are excited at the opportunity of expanding our footprint into Ireland, one of the world's most important biomedical markets, while strengthening our portfolio of solutions across emerging and growing markets."
